

RayVentory Aspera Connector 12.6

12.6.0.12187 [Update 1]

Released on [Jan 19, 2024](#)

Resolved issues

- Packages installed on non-Windows systems with RayManageSoft or RMS UEM were not being displayed in the inventory. This issue has been addressed, and packages are now properly shown in the inventory. [RVS-156](#)
